DEPARTMENT OF COMPUTER ENGINEERING**

A.Y.2024-2025 Semester –II Class- T.E. Div-A,B,C

**Assignment/Tutorial -3
Subject: Artificial Intelligence**

Maximum Marks: 30

Date of Submission: / /2025

Q.No	Questions	Mark	CO	CL	KL
Q1	Write a short note on, 1) Zero-sum game 2) Game Types	[05]	CO1	U	C
Q2	Explain Minimax algorithm with an Example with its properties.	[05]	CO1	A	P
Q3	Explain alpha-Beta pruning with an Example.	[05]	CO1	U	C
Q4	What is CSP? How to improve efficiency of backtracking in CSP?	[05]	CO1	R	F
Q5	What is Monte Carlo Tree Search? How does it work?	[05]	CO1	U	C
Q6	Apply Csp to solve the following Crypt arithmetic Problem 1) TWO + TWO = FOUR 2) TO + GO = OUT 3) SEND + MORE = MONEY 4) IS + WT + SPM = BEIT	[05]	CO1	U	C

Assignment/Tutorial -4
Subject: Artificial Intelligence

Maximum Marks: 30

Date of Submission: / /2025

Q.No	Questions	Mark	CO	CL	KL
Q1	What is knowledge base agent?.	[05]	CO2	R	F
Q2	Explain different levels of implementation of knowledge based agent.	[05]	CO2	R	F
Q3	Explain different methods of knowledge representation techniques.	[05]	CO2	R	C
Q4	Explain WUMPUS World Environment problem giving its PEAS description ?	[05]	CO2	U	C
Q5	What is propositional logic? Write down its advantages and disadvantages	[05]	CO2	R	F
Q6	Write a short note on predicate logic.	[05]	CO2	Ap	P

Assignment/Tutorial -5
Subject: Artificial Intelligence

Maximum Marks: 30

Date of Submission: / /2025

Q.No	Questions	Mark	CO	CL	KL
Q1	Explain the term Reasoning.	[05]	CO3	U	C
Q2	Compare between 1.propositional logic and first order logic. 2.forward chaining and backward chaining.	[05]	CO3	U	C
Q3	Explain forward chaining algorithm with example.	[05]	CO3	U,R	C
Q4	Write a short note on 1.Resolution. 2. Categories and objects .	[05]	CO4	R	F
Q5	Consider following axioms. All people who are graduating are happy. All happy people smile. Someone is graduating. 1.Represent these axioms in FOL 2.convert each formula to CNF 3. Prove that someone is smiling using resolution technique. Draw the resolution tree	[05]	CO4	U	C
Q6	Explain the term semantic network in detail.	[05]	CO4	R	F

Assignment/Tutorial -6
Subject: Artificial Intelligence

Maximum Marks: 30

Date of Submission: / /2025

Q.No	Questions	Mark	CO	CL	KL
Q1	Write a short note on 1. Partial order planner 2.progressive planner	[05]	CO2	R	F
Q2	What are different languages used for implementation of planning?	[05]	CO2	R	F
Q3	Explain conditional planning with example.	[05]	CO2	R	C
Q4	What is planning in AI?	[05]	CO2	U	C
Q5	Explain water Jug problem with state space search method.	[05]	CO2	R	F
Q6	Explain planning problem.	[05]	CO2	Ap	P
