EXECUTIVE SUMMARY

P&L-aligned marketing leader with **8+ years of experience** driving revenue growth, partner-led GTM, and enterprise demand generation across **B2B SaaS, Cloud, and IT Services** organizations. Proven track record of building scalable demand engines within **Google Cloud, AWS, and Azure ecosystems**, influencing **\$10M+ in annual pipeline** and **\$2.5M+ in ARR** through data-driven GTM strategy, enterprise ABM, field marketing, and partner-led motions. Trusted partner to Sales, CXOs, and global stakeholders across **India, the US, and Israel**.

CORE COMPETENCIES

Revenue Marketing • GTM Strategy • Partner & Alliance Marketing • Demand Generation • Enterprise ABM • Pipeline & ARR Ownership • Hyperscaler Ecosystems (GCP, AWS, Azure) • MDF & Co-op Management • Field & Event Marketing • PR & Brand Strategy • Sales Enablement • Global Stakeholder Management • Agency Leadership

PROFESSIONAL EXPERIENCE

Sela

Manager – Global Marketing | Head of Marketing (India)

Mar 2023 – Present | Pune, India | Global Scope (India, US, Israel)

Business & Revenue Impact

- Generated **~\$200K MRR annually (~\$2.5–3M ARR)** across Google Cloud (~\$150K), AWS (~\$80K), and Azure (~\$50K) through partner-led demand programs (*approx.*)
- Influenced a **4–5× pipeline-to-revenue ratio**, resulting in **~\$10–12M in annual sales pipeline** across cloud services and SaaS-led engagements (*approx.*)
- Supported **\$10K–\$25K MRR average deal sizes**, including committed contracts and multi-stream professional services engagements
- Contributed **~15–20% YoY business growth** through GTM restructuring, partner solution launches, and demand acceleration initiatives (*approx.*)

Leadership & Scope

- Served as **India Marketing Head**, owning end-to-end GTM strategy, execution, and regional outcomes while influencing global marketing strategy across the **US and Israel**
- Owned and optimized **\$250K+ in annual marketing investments** across PPF, MDF, and Co-op programs, directly aligned to revenue impact and partner scorecards
- Operated as the single-threaded owner for India marketing, leading **multiple external agencies** (digital, field, content, PR) and reporting directly to the Global CMO
- Actively contributed to **Corporate Strategy and Corporate Development**, supporting strategic alliances, M&A discussions, and long-term growth planning

Partner & Ecosystem GTM

- Built and scaled **partner-led GTM motions** across Google Cloud, AWS, Azure, and Alibaba, positioning Sela as a preferred implementation and consulting partner
- Launched and scaled **co-branded offerings** (Sela + AWS, Sela + Google Cloud, Sela + Umbrella, Sela + Sugar), including marketplace-ready solutions
- Enabled multiple **partner awards and recognitions** by strengthening GTM readiness, content maturity, and pipeline contribution

Demand, Brand & Market Visibility

- Led **brand repositioning and digital transformation**, owning website strategy, SEO, SEM, and messaging architecture in collaboration with global stakeholders
- Built a full-funnel **content and thought leadership engine**, including enterprise case studies, customer testimonials, video interviews, podcasts, panel discussions, and snackable social assets
- Planned and executed **CXO-focused field events** (partner offices, executive dinners, five-star venues) to drive enterprise pipeline and deepen partner engagement
- Spearheaded all **PR initiatives for Sela India**, securing industry recognition including CIO Magazine (*Top 5 Cloud Service Providers*), India Business Awards (*Leading Cloud Transformation Partner*), and Insight Success Magazine (*Front Page Feature*)

Organization Building & Enablement

- Led the end-to-end **India office launch**, including site selection, commercial negotiations, branding, executive inauguration, press outreach, and launch amplification

- Designed and scaled **sales enablement assets** across India and Israel, including GTM decks, one-pagers, battlecards, solution briefs, and partner pitch kits
-

ZENSAR TECHNOLOGIES

Associate Manager – Marketing (Enterprise & ABM)

Mar 2021 – Mar 2023 | Pune, India | US Market

- Led **enterprise ABM and partner marketing** for the US West region, supporting SAP, Oracle, Salesforce, and Google Cloud alliances
 - Influenced **~\$12.5M in enterprise pipeline** through integrated ABM, digital, field marketing, and OEM-led campaigns
 - Supported **Fortune 500 and large enterprise accounts**, partnering closely with Sales, Alliance, and regional leadership teams
 - Planned and executed **12+ large-scale partner events** across the US and Europe to build qualified enterprise pipeline
 - Contributed to **thought leadership and PR initiatives** to strengthen Zensar's positioning within OEM ecosystems
-

INVENTIVE SMI

Marketing Executive

Apr 2019 – Dec 2020 | Pune, India

- Drove **lead generation and sales enablement** across enterprise IT, ERP, cloud, and security solutions
 - Supported opportunity management, forecasting, and CRM hygiene across multiple enterprise accounts
 - Enabled sales teams with account research, pitch decks, and solution mapping aligned to customer needs
-

TSL CONSULTING PVT. LTD.

Business Development Specialist

Oct 2017 – May 2018 | Pune, India

- Delivered **qualified pipeline through digital and email marketing**, including BANT-qualified appointment generation

- Executed end-to-end demand campaigns across IBM, Cisco, and enterprise technology portfolios
-
